

About Our Guarantee...

To those curious about a Guarantee,

Some of my competitors say I shouldn't give a Guarantee. My peers tell me it makes it look like I'm trying to sell too much.

There is nothing further from the truth. This Guarantee requires work on your part. If you are not going to engage and work the program then you shouldn't join PILMMA. If you aren't willing to implement what we show you, then stop reading now. This program is NOT for you. But, if you are ready to pull up your sleeves and implement at least ten to twenty percent of what we offer, you will definitely see a growth in excess of 25%.

You will also gain clarity and certainty as to what you should and should not be doing to grow your firm. Our job is to help you achieve maximum results for everything you do.

We give this Guarantee because we don't want you to think you are taking a risk of signing up and getting sold an empty bill of goods. This Guarantee puts all the risk on us, not you! I know that if you do the program, it will propel your profits and growth forward. Period.

Frankly, if you sign up and do nothing, then nothing is what you will get. All things in life are like this; you get out what you put in.

BUT- If you are serious about experiencing exponential growth, then this is the program for you! Our methodologies, processes, and techniques are proven and tested by hundreds of lawyers across the country.

The real question is: Are you ready to make a change that will produce astronomical results? If you are, then give us a 90- Day Trial. If you aren't happy with your decision at any time during the

first 90 days, then you can get a 100% refund. No questions asked-
the risk is ALL on US, not YOU.

Dedicated to Your Success,

Kenneth Hardison
